Product Description

Ybravo 25" BBC Commercial Walk Behind Lawnmower

- This is a High Vacuum, self propelled, beast of a mower, with a Kawasaki engine
- It is easily the best WET GRASS BAGGING, AND LEAF SUCKING UP mower you will ever use!
- Don't spend your time unplugging mowers, and dealing with broken down 21", 22", and 30" mowers.
- This 25" does the job of all sizes, and it is rock solid.
- New improved heavy duty handlebars.
- 1 year commercial warranty.

As a former landscape contractor, I can say it is easily the best mower I have ever used.
